

How do I apply for a place at Barbour Nursery School?

The application process begins on Thursday 7th January 2020 at 12 noon for online admissions by visiting the **eani.org.uk** website. Children who have turned '3' on or before the 1st July 2021 will be eligible to apply for a place beginning in September 2021.

Parents should complete online applications by midday on Friday 29th January 2021. An application received after 12 noon on 29th January 2021 will be treated as a late application. (Parents should provide their supporting documentation for their application by uploading documents online only this year e.g. birth certificate, address verification or other information as per the admissions criteria). Due to the current Covid 19 circumstances, this means that parents should not supply documents directly to the school.

Parents should list as many choices of nursery school, nursery unit or playgroup as possible on their application form. The form will be forwarded to the next choice if not successful at the first.

Information on admissions criteria used to allocate places is available on the "Admissions" section of the website or can be emailed to parents upon request.

We regret that we are unable to have an Open Evening this year.
